to our class

Mrs. Amy Hill

My name is Mrs. Amy Hill, and I will be your student's Preschool teacher this year. I look forward to working, playing, and being creative with your child. I cannot wait to see how they grow throughout the year.

I received my B.S. from Liberty University in Political Science. I am looking forward to my third year at Rhema in the Early Education Department. Before moving to PA I taught Preschool in Clarksville, TN.

My husband and I have two boys. A second grader here at Rhema and a 9th grader at OLSH.
