

Dear Preschool and Pre-Kindergarten Parents,

We can't wait to welcome your child into our Preschool or Pre-K program at Rhema Christian School, where finger painting, Bible stories, and making lifelong friends await!

But before your little one can dive into all the fun... we need to talk about something very important:

Potty Training

Yes, it's true—before your child joins our PS or PK crew, they must be **fully potty trained**. That means:

-  No diapers or pull-ups during the school day
-  They know when they need to go
-  They can manage their own wiping
-  They can let a teacher know if they had an accident (it happens—we get it!)

While our teachers are superheroes, they are not able to change diapers or potty-train during the school day. If your child is not fully potty trained by the start of the school year - we may have to *lovingly and regretfully* hit pause on their preschool or Pre-K adventure.

We know potty training can be a journey, and every child gets there at their own pace. If your child isn't quite there yet, don't worry—you still have time before the school year starts. Practice makes progress!

If you have any questions about what “fully potty trained” looks like in our classrooms or need some encouragement, feel free to reach out. We're here to help—and to celebrate this milestone right along with you!
